MORE RAILROAD WRECKS.

AN ACCIDENT ON THE PITTSBURG,
FORT WAYNE & CHICAGO ROAD.

A Sleeping Car Derailed Near Bayard,
Ohio—The Colored Porter Instantly
Killed and Several Others Seriously
Wounded—Three Other Wrecks.

PITTSBURG, Pa., Aug. 19.—About 4
o'clock this morning the through express
train, which left Chicago at 8:15 yesterday
over the Fort Wayne & Chicago railway
was wrecked at Bayard, O., on the Pitts-
burg & Cleveland road, about eighty-one
miles west of Pittsburgh. When the train
reached Alliance, O., it was found that
the Fort Wayne road was obstructed by a
freight wreck some miles east of Alliance,
and the train was ordered around by the
Cleveland & Pittsburgh road. The train was
made up of three baggage and express cars,
one smoker, one passenger coach, two Chi-
cago sleepers, and a Toledo sleeping car,
called the "Topic," which was attached to
the rear of the train.

After leaving Alliance the train was pro-
ceeding at the rate of thirty miles an hour.
As it swung around a sharp curve near
Bayard the rails spread, and the Toledo
sleeper was derailed, falling on its side. The
two Chicago sleepers also jumped the track,
but after running nearly three hundred
yards they were pulled on again and escaped
injury. When the crash came the porter,
O. Warner, ran to the forward platform and
jumped, but got off on the wrong side of the
car, and when it fell over on its side, was
buried under it. Fortunately there were
only three passengers and the flagman on
the sleeper, and in the meantime they were
tossed about the car like balls, and all seri-
ously hurt.

When the train stopped the trainmen and
passengers rushed back to ascertain what
damage had been done. The injured were
speedily removed from the car, but no trace
of the porter could be found. It was not
until nearly an hour afterward that a hand
was seen projecting beyond the wreck of the
sleeper. Work was immediately com-
menced and the crushed and mangled body
was found.

The casualties were: O. Warner, colored
porter, of Pittsburgh, Pa., crushed to death.
J. L. Maloney, of Detroit, badly cut about
the face, head and breast; believed to be fa-
tally injured.

W. H. Dennison, Pittsburgh, badly cut and
bruised; very weak and will probably re-
cover.

George D. Lawson, Washington, D. C.,
badly cut about the head, neck and breast;
will recover.

W. A. McCoy, Pittsburgh, bruised and in-
jured internally; very serious.

The passengers in the other sleepers were
badly shaken up, but sustained no serious in-
juries.

The injured were taken to the hotel at
Bayard and placed in the care of the com-
pany's physicians and the train came on to
Pittsburg, arriving three hours late.

A Stock Train Wrecked.

NAPERVILLE, Ill., Aug. 19.—At 4:45
o'clock this morning a cattle train was stand-
ing on the track of the Chicago, Burlington
& Quincy railroad, when another stock train
crashed with terrible force into the rear end.
The caboose was thrown twenty feet down
an embankment and the engine plowed
through three cars loaded with fat steers,
almost totally demolishing them and killing
and maiming the cattle. The engine is a
complete wreck. The tender telescoped the
first car, loaded with hogs, of the moving
train, killing the most of the animals. En-
gineer Robinson, of the second train, was
severely bruised by jumping from his en-
gine. The fireman escaped unhurt. The cause
of the accident was a dense fog which
prevented signals from being seen.

Freight Train Wrecked.

CANTON, Pa., Aug. 19.—An ore train
stopped at the Three Bridges, N. J. station
on the Canton & Amboy division of the
Lehigh Valley railroad last night for orders.
The fast freight came along at a high rate
of speed, and before the ore train could get
out of the way, a collision occurred and the
track was lined with broken cars and their
contents. Amos Clark, the engineer of the
freight held his post up to the last and in
jumping, rolled down a ditch, receiving
serious injuries. His fireman was slightly
bruised. About sixteen cars and a locomotive
are wrecked and the track was blocked
several hours.

Another Wreck on the B. & O.

BALTIMORE, Aug. 19.—A collision oc-
curred last night on the Baltimore & Ohio
railroad, by one of the east bound freight
trains running into the rear of another
freight, by which seventeen cars were
wrecked. The collision was about three
miles west of Elliott City, on the main
stem, near Hollidays station. A train of
colored excursionists from Harper's Ferry
was detained on the track until this morn-
ing. The engineer and conductor of one of
the trains were severely, and it is believed
fatally, injured. The firemen are also prob-
ably fatally hurt.

Still Another.

WOONSOCKET, R. I., Aug. 19.—As the
"Rawhide" freight on the Boston & Albany
railroad, due at Milford at midnight was
approaching that place, the brakes failed to
work. The engine was running with such
force that the end of the rails was cleared
and a dash made into a meadow where the
locomotive sank deep into the earth. En-
gineer Croft was thrown from the cab and
was seriously injured. One brakeman had
both legs broken. The damage aggregates
\$5,000.

Shot During a Row.

MEDINA, N. Y., Aug. 19.—During a row
last night at Albion, Joseph Kane was shot
twice by a young man from Lockport, who
refuses to give his name, but claims he did
the act in self-defense. Kane is very low
and may die.

Fell on a Circular Saw.

ZANESVILLE, O., Aug. 19.—James Drake,
aged thirty, fell upon a circular saw in his
father's mill this morning, and his body was
ripped open lengthwise. He was dead be-
fore he could be taken from the saw table.

UNITED LABOR PARTY.

Union Labor and Socialistic Delegates
Ruled out of the Convention.

SYRACUSE, N. Y., Aug. 19.—The United
Labor party convention was to have
reassembled at 9 this morning, but it was
an hour and a half late. The reason was
that three-score of the delegates from New
York and Kings counties had sat up until
5 this morning to get even a word from the
room at the Empire house, where the com-
mittee on credentials held a stormy session.

When this committee was named yester-
day afternoon it was intended to exclude
delegates who had any sympathy with the
Socialists from the body, but as the business
progressed it was found there were some
staunch friends of the Socialists on the com-
mittee. Both Dr. McGlynn and Henry
George remained up all night with the
others, anxious as to the result of the com-
mittee's work. At the hour when the con-
vention was to have been called to order the
committee was still in session, and, although
information was refused for publication, it
became noised about that the contesting So-
cialistic delegates had been ruled out and
only those holding United Labor party cre-
dentials accepted. The committee finished
its labors soon after 10 and at 10:30 the con-
vention was called to order.

W. T. Crosdale, of New York, chairman
of the committee on credentials, read the
majority report and by it the Socialistic
delegates were denied admission to the
convention; Edward Fickelstein presented
a minority report recommending that the
Socialistic delegates be admitted. After a
series of motions, amendments and substi-
tutes had been offered, a motion was car-
ried by which both sets of delegates—Social-
ists and United Labor—were allowed five
minutes each in which to address the con-
vention.

GEORGIA BUILDERS.

The League Demands Discharge of Non-
Unionists and Fifty-Eight Hours.

COLUMBIA, S. C., Aug. 19.—An impor-
tant labor pronouncement has just been is-
sued by the Builders' Trade League of
Georgia, headquarters at Augusta. The
league is composed of bricklayers, stone-
masons, carpenters, tinsmiths, painters, etc.,
and embraces nearly the entire state. The
following schedule is published:

"No work with non-union men. No work
on any sub-contract job. Fifty-eight hours
a week the limit, and all firms furnishing
building material to contractors who exact
more than fifty-eight hours to be boycot-
ted."

A formal demand will be made in a day
or two for the discharge of all non-union
men.

A Big Purchase.

CHICAGO, Aug. 19.—The Vermillion Iron
Range in Minnesota, which turned out \$10,
000 tons of ore last year, has been purchased
by a syndicate composed mainly of Chicago
capitalists. Marshall Field, H. H. Porter,
president of the Chicago & Indiana Coal
Railway company, and J. C. Morse, of the
Union Steel company, are the principal
members of the syndicate, which paid
\$5,000,000 in certified checks and several
millions of stock to Mr. Charlesmagne Tower,
of Boston, for his interest. This purchase
comprises 20,000 acres of the iron lands, and
is said to be the largest iron investment
known.

B. & O. Victims.

WASHINGTON, Aug. 19.—All the injured
in the wreck at the "Y" on the B. & O.
tracks in this city yesterday are doing well
with the exception of the fireman, James
W. Smith, whose legs were broken. He is
in a critical condition. He was the sole
support of his mother, living in Cincinnati.
Mr. Koch, of Cincinnati, who, with his wife
and three children, was on his way to Ger-
many, is badly injured, but will probably
recover. Mr. and Mrs. Buck, Mrs. Bond
and her child Ed. Lochmeyer, all of Cincin-
nati, are rapidly recovering.

Lynched By Moonshiners.

ATLANTA, Ga., Aug. 19.—Some time ago
the body of a white man was found hanging
from a rafter in the school house of Smith's
district, in Gwynette county. The neighbors
said it was a case of suicide, took the body
down, quietly buried it and made no in-
quiry as to the man's identity. Now comes
the news that the man was really lynched,
that he was suspected of being a revenue in-
former, and wandering into a district where
there were four illicit stills in operation, the
moonshiners made short work of him.

Cranks Annoying Mrs. Cleveland.

MARION, Mass., Aug. 19.—Mrs. Cleveland
has not been entirely free from cranks even
in this retired spot. A few days ago a man
calling himself William J. Bryan arrived.
He pretended to be the author of a romantic
poem, and engaged the chapel of the Con-
gregational church here in which to have
the poem recited. He solicited patronage,
saying Mrs. Cleveland promised to attend.
Mrs. Cleveland declined to have anything to
do with it.

Jacob Sharp's Condition.

NEW YORK, Aug. 19.—There was great
excitement at Ludlow street jail this morn-
ing owing to the sudden change in Jacob
Sharp's condition. He had a violent chill at
4 o'clock. He suffered much and could not
sleep until after 9 o'clock. He awoke shortly
after 11 and said he felt a good deal better.
He is greatly exhausted, and his wife is
quite sick from worry and constant at-
tention at her husband's bedside.

Robbed By His Son.

PHILADELPHIA, Aug. 19.—Dr. Joseph
Fabian on Monday placed \$7,000 in govern-
ment bonds and \$1,000 in cash in a safe and
went to Atlantic City for a day's enjoyment.
When he returned the bonds and money
were missing. It has since transpired that
the doctor's son, Samuel, disposed of the
bonds at a banking house and left for parts
unknown.

LYNCHING, Ky., Aug. 19.—Six hundred
miners are on a strike at the Pittsburg,
Laurel, Altamont and neighboring mines.
They want three cents per bushel, have been
getting two and one-half. A strike is feared
to-day at the Jellico mines. At a meeting
of mine owners at Jellico last night to con-
sider the situation no result was reached.
There is prospect of a very serious time.

TROOPS TO THE RESCUE.

SOLDIERS READY TO MARCH ON
COLOROW AND HIS BAND.

The Ute Indians Receiving Reinforce-
ments From Other Tribes—Over Three
Hundred of Them Ready for Battle.
Women and Children in Peril.

GLENWOOD SPRINGS, Col., Aug. 19.—The
White river Ute Indians are said to have
sent runners to the Uncompahgre camp, the
Blackfoot, the Sioux, the Crow and other
tribes in Colorado, Wyoming, Montana and
Idaho for aid. Colorow has determined, it
is said, to have the other tribes brought into
the present difficulty, and while the outbreak
has been local so far, he wants to make it a
national one.

Yesterday was an exciting one here. One
company of state militia has reported and
were supplemented by an organized band of
volunteers headed by Under Sheriff Clem-
ents and Jack Ward, a settler familiar with
Indian tactics and the country. The other
state troops are on their way. If the state
troops once get in the field they will, from
present indications, be able to quell the out-
break and compel the hostiles to go back to
the reservation or kill them.

Late advices show that the Indians are
concentrating and at least three hundred of
them are in the White River country ready
for battle, which they will be able to main-
tain advantageously, being in a country with
which they are thoroughly familiar and
which will make their position impregnable.
No very serious casualties have been re-
ported yet, but the unprotected ranches are
at the mercy of the hostiles, and to prevent
it troops must begin to work.

Joe Reynolds, chairman of the board of
county commissioners of Garfield county,
arrived here last evening. A large body of
Utes it is reported, is moving upon Meeker.
Kendall is fifty or eighty miles away from
Meeker, but brushes have occurred only a
few miles from the settlement. Kendall
must be engaged in brush fights, or else the
whole Ute tribe are on the warpath. County
Assessor Van Cleaf was under instructions
this morning to call out the state militia, is-
sue a call for volunteers and beg, borrow or
steal ammunition. It is thought that Colo-
row's son has been killed, as a white man
was seen riding his famous race horse, the
horse being well known in this section.
Since that time man and horse are missing.
If the boy has been killed a long war has
certainly been inaugurated.

Another Account.

NEW YORK, Aug. 19.—A Denver dispatch
to the Herald says that Colorow is in the
mountains, north of Meeker, awaiting the
arrival of fifty or seventy-five bucks from
the agency, who are on their way to join
him. When he hears of the killing of his
son he will seek revenge, and will begin at
Meeker, where there are 400 women and
children.

At Meeker there are 150 men who will de-
fend the place to the last.
The adjutant general intends to force
march a company of militia to Meeker to
aid the settlers.

Triple Drowning.

CINCINNATI, Aug. 19.—About 4 o'clock
yesterday afternoon Tom Riley, of St.
Louis, a laborer, aged twenty-seven;
"Brooky Pete" Eschebrenner, a laborer,
aged twenty-eight, and "Black Ed." Farre,
a negro laborer, aged thirty, together with
John Veuneman, Owen Travis, Frank
Burns, John Maher, John Davey, Chris.
Seibold, and an unknown negro roustabout,
all colored, put off in a skiff from a coal
barge which they had been loading at the
foot of Main street, and had drifted just
below Walnut, when they were swamped by
the waves from the steamer Lancaster. The
skiff sank like a stone, and Tom Riley,
"Brooky Pete" and "Black Ed." were
drowned.

A Murderer Caught.

CATLETTSBURG, Ky., Aug. 19.—F. D.
Williams, deputy jailer of this county, went
to West Virginia yesterday and arrested
Van Bartram, brought him to this place
and lodged him in jail last night. About
eighteen months ago, near Clinton Furnace,
in this county, Bartram wantonly stabbed
Green Kirk to death and fled, since which
time he has been a fugitive from justice.
This was the ending of an old feud. Mr.
Williams arrested Bartram on the waters of
Seven-Mile, and since the killing he has been
over forty miles from this place. Bartram
stands in the Boyd criminal court for wil-
ful murder.

Murder at a Camp Meeting.

COLUMBIA, S. C., Aug. 19.—An atrocious
murder was perpetrated at a colored camp
meeting near Wilmington on Sunday night.
After preaching was over, Fannie McDonald
and Moses Garrett, her accepted lover were
strolling through the pines when they were
overtaken by Anthony McCormick, a former
lover of Fannie, who, after speaking
pleasantly to the couple, suddenly pulled a
pistol from his pocket and shot Garrett in
the right side. He died the following day.
The murderer fled and so far has eluded the
sheriff's posse who have been in pursuit of
him.

Died From His Wounds.

WILKESBARRE, Pa., Aug. 19.—John Bos-
ker, of Plains township, aged twenty-six,
died at the Wilkesbarre hospital Tuesday
night, from the effect of three bullet holes
in his head. Bosker was brought to the
hospital on Sunday morning last by three
unknown men. The case was not reported
to the authorities until the young man was
dead. Bosker died without regaining con-
sciousness, and there is not the slightest
clue to show where or at whose hands he
met his death.

Manitoba Railroad War.

WINNIPEG, Aug. 19.—A declaration of
war and a practical commencement of hos-
tilities on the Red River Valley road by the
Canadian Pacific has set the populace afire.
In the dead of night the Canadian Pacific
placed spur tracks across the proposed Red
River Valley line, and then asked for in-
junctions to prevent the track being torn
up. The local government has informed the
sheriff that if the Canadian Pacific succeed
and he is given an injunction, he will be im-
mediately dismissed if he dares serve it.

AN ELEVATOR ACCIDENT.

One Girl Killed and Several Others Seri-
ously Injured.

NEW YORK, Aug. 19.—An elevator in the
collar and cuff manufactory of Seidenber,
No. 47 Mercer street, crowded with employes
fell this morning, killing a girl named Jane
Lynch and injuring a number of others.
The elevator contained about eighteen
female hands employed in the factory and
the elevator boy, named O'Neill. The acci-
dent occurred about 8 o'clock. Everything
went well until the elevator reached the
third floor when it began to descend. All
efforts of O'Neill to stop it were unavailing.
The safety catches failed to work. The
speed of the car rapidly increased and it was
soon rushing down with its now thoroughly
panic-stricken load to destruction. The car
fell with a crash to the basement floor and
everyone of the occupants were more or less
injured. Jane Lynch was instantly killed.
Her body was horribly mangled. The
of those who received the most serious injur-
ies are:

John O'Neill, elevator boy, spine broken.
Lizzie Doughter, of Brooklyn, right leg
broken.

Mrs. Jessie Bryers, of Green Point, ankle
broken.

Mary Ring severely hurt about the body.
Maggie Moriarity, Mary O'Shaughnessy,
Gussie and Fannie Van Tassel, Nettie Peck,
Virge Daly, Amelia Lichtenstein and Nel-
lie McCabe, all of New York, slightly in-
jured and suffering more or less from shock.
The elevator is one of Otis Brothers make
and was inspected a week ago and pro-
nounced all right. The accident was due to
the breaking of the pinion wheel which con-
trols the drum upon which the cable winds.

Arrested for Embezzlement.

OMAHA, Neb., Aug. 19.—J. F. Riley, a
newspaper man from Washington, who
has been in Omaha for two months, was
arrested early this morning on a charge of
embezzling \$30,000 from the Union Trust
Company, of Philadelphia. He was arrested
as James N. Taggart on information fur-
nished by Pinkerton. On examination, Mr.
Riley proved that he was not Taggart, and
Edward T. Perkins of the Trust Company,
failed to identify him. As soon as released,
Mr. Riley brought suit against the Trust
Company for \$10,000 and got service on
Perkins. Suit will be commenced against
Pinkerton for a like amount to-morrow.

Boy Killed on the Belt Line.

NEW YORK, Aug. 19.—An unknown boy
was run over and instantly killed by bot-
tailed belt line car No. 16, on Fifty-ninth
street yesterday evening. The boy was
stealing a ride on the rear of the car going
west and the driver drove him away, when
he ran in front of car No. 16 and was
knocked down and killed on the spot. The
driver of car No. 16, Frank Finn, and the
driver of car No. 16, Cornelius Killeher,
were both arrested. The boy's body was
taken to the morgue.

No Use for McGlynn.

NEW YORK, Aug. 19.—The county board
of directors of the Ancient Order of Hiber-
nians of Brooklyn, which has full jurisdic-
tion in such matters, refused yesterday, by
a vote of 110 to 7 to sanction the action of
Division No. 3 in extending an invitation to
Dr. McGlynn to deliver a lecture under the
auspices of that branch on August 26 next,
in Williamsburg. The ground taken was
that the order should stand by the church
and have nothing to do, as an order with
Dr. McGlynn.

Killed By a Falling Bridge.

HENDERSON, Ky., Aug. 19.—A small
bridge in course of construction near Mar-
ion, Ky., fell yesterday afternoon, killing
the foreman, William McCarroll, of Owen
Sound, Ont., and fatally injuring Frank
Solgusa, carpenter, of Gallipolis, O. Joe
Reilly, a laborer, had an arm broken, and
William L. Gordon, resident engineer, of
Madisonville, Ky., had his left leg broken,
and was otherwise badly hurt.

Murderer Hurtle in Jail.

NEW ALBANY, Aug. 19.—John Hurtle, the
murderer of Daniel Winnegar, near Pal-
myra, Washington county, Ind., Tuesday,
surrendered to the authorities to-day. There
is some excitement but the citizens insist
that the law shall take its course. The
report that Hurtle killed Winnegar in a duel
is without foundation. It was a cold-blooded
murder.

Female Forger Arrested.

CHICAGO, Aug. 19.—Mrs. Josie Newkirk,
of East St. Louis, has been arrested by
Chief Inspector Kidder, for forging a re-
ceipt and obtaining possession of a regis-
tered letter addressed to Mrs. James Gor-
don. She was taken before Commissioner
Crawford, at Springfield, and held in \$1,000
bond, to await the action of the grand jury.

Lacked Good Sense Drunk or Sober.

LAKE LINDEN, Mich., Aug. 19.—James
Smith, a prominent merchant, while drunk,
recently married a woman of the town. The
act weighed heavily upon his mind, and
yesterday, while sober, he blew out his
brains.

Sixty-One Bondsmen Sued.

WASHINGTON, Ind., Aug. 19.—Suit was
brought by the state's attorney this morning
against sixty-one bondsmen of Davies
county's ex-treasurer, Richard H. Green-
wood, who is short in his accounts \$13,000
or more.

Fast Running the Cause.

WASHINGTON, Aug. 19.—The coroner's
jury, in the case of the wreck on the Bal-
timore & Ohio railroad, in this city, yester-
day, find that the cause of the accident was
fast running, and censures the company.

WHENEVER a Government gets revenue the people pay the tax. There is no mystery about this—it is a simple fact. The Republicans clamor for untaxed whisky in order that they may maintain the excessive tax on the necessities of life.—Cincinnati Enquirer.

"THAT Peru, Indian, road seems to be well managed" says the Cincinnati Enquirer. "It, too, had a Niagara excursion, but it watched every side of its track in advance of the excursion train, and the Superintendent, in his private car, ran ahead as a pilot. That is the way to do it."

THE Bourbon News says it knows of three manufactories from Ohio and Indiana that will start up on the banks of Stoner, near Paris, within a year. They will add 1,000 to the population of that city, and all this on account of the aid voted by Bourbon County to the F., G. and P. railroad.

THE Elkhorn Baptist Association convened at Versailles Wednesday. The only business of importance is the question of removing the Georgetown College to Shelbyville. THE Cincinnati, Georgetown & Portsmouth Narrow-Gauge Road, which was purchased by Mr. M. E. Ingalls and associates some time since, has developed into a valuable little piece of railroad property. The company has a very snug cash surplus on hand.

THE Ohio people don't seem to be very solid for Sherman. In a crowd of about one hundred the other day some one "proposed three cheers for John Sherman, which were given with a will. Then a wicked and unregenerate Democrat proposed a like compliment for Blaine, which received a ringing response. Another absolutely depraved Democrat then jumped upon a goods-box and asked all those in favor of Blaine for President to hold up their hands. Seventy-eight Republicans responded, while but eighteen showed up for Sherman."

Sherman has been chasing the Presidency around for a long time, and he doesn't seem any nearer now than he was years ago.

The Youngs Acquitted.
Z. T. Young, Sr., Allie Young and Green Manning have been acquitted in the Circuit Court at Morehead of the charge of conspiring to kill Howard Logan. It is just what has been predicted all along by those who were acquainted with the witnesses. The verdict was rendered last Wednesday. The entire day was occupied in speeches by Wallace Maguire and Commonwealth's Attorney Sallee for the prosecution and Wickliffe, Kendall and Z. T. Young for the defense. While awaiting the verdict extra precautions were taken. The guards were doubled and soldiers told to be on the look out. There was no excitement, however, when the verdict was read.

Young men or middle-aged ones suffering from nervous debility and kindred weakness should send 10 cents in stamps for illustrated book suggesting sure means of cure. Address, World's Dispensary Medical Association, 663 Main street, Buffalo, N. Y.

YOUNG MEN'S FAIR.

The Attendance Better Than Ever Before on Second Day.

List of Premiums and Prizes Awarded—The Races.

The Young Men's fair is booming right along. The attendance yesterday was a surprise to many, and was much larger than ever before on second day. The crowd was variously estimated at from 5,000 to 8,000. The weather was a little threatening in the forenoon, but it was all that could be desired in the afternoon.

The exhibition in the arena fully equaled that in former years. The Directors for the day were Messrs. P. P. Parker, Langhorne Tabb and W. L. Piper. Following is a list of the premiums awarded:

Harness stallion, 4 years old and over, J. W. Fitzgerald, Maysville, Ky., \$20.
Harness stallion, 3 years old and under 4, R. P. Pepper, Frankfort, Ky., \$15.
Harness stallion, 2 years old and under 3, J. C. Owens, Maysville, \$10.
Harness stallion, 1 year old and under 2, W. Peters, Bethel, Ky., \$10.

Pony Race—mile dash—all ponies to be 14 hands or under; all riders 15 years old or under. First prize, James Brannon, North Fork, \$15; second prize, George Newdigate, Mason County, \$10.
The pony race was the most exciting of the day. There were but three starters, and it was nip and tuck between Brannon's little dun filly and Newdigate's gray. Young Berry, of Lewisburg, held the dun down to steady work from the start, and won by half a length.
There were three races in addition to the mile dash for the ponies. The track was in splendid condition, barring a little dust, but this did not interfere with the sport. The 2:28 class, postponed from first day, was warmly contested, five heats being required to finish the race. In this class there were ten entries. Only five started.

"The leprous distilment, whose effect holds such an enemy with blood of man, That swift as quicksilver, it courses through The natural gates and alleys of the body," and causes the skin to become "barked about, most lazarlike, with vile and loathsome crust." Such are the effects of diseased and morbid bile, the only antidote for which is to cleanse and regulate the liver—an office admirably performed by Dr. Pierce's "Golden Medical Discovery."

THE Daily Press, of Lexington, is authority for the following: "Mattie Banks of Louisville, who is visiting friends in this city, while eating ice cream four days since, swallowed some pieces of broken glass that caused great pain. Her physician removed a fragment of glass from her tonsil, but this did not bring relief, and she continued to complain of severe pain in her chest, her systems growing more serious each day, until her physician, assisted by two others, after a free use of anaesthetics, passed an instrument into her oesophagus and through it into her stomach. Then withdrawing it detected the piece of glass in the oesophagus near its opening into the stomach, and drew it out. It was about half the size of a silver five-cent piece, and was a part of a broken lamp chimney. It was a great achievement in surgery."

HECHINGER'S!

It is a familiar sounding name to most everybody, hence we need no further introduction to the visitors to our Young Men's Fair. We will simply say that, as usual, we desire all our visitors to make our storerooms headquarters. We will take the best of care of you. In anticipation of this year's Fair being the Kentucky Fair *par excellence*, we have thoroughly renovated, decorated and beautified our rooms to that extent that we can justly claim that we have the most elegant and best appointed Clothing establishment in the State. Though somewhat early for the coming season, we are already prepared to show our friends a full and complete stock of Fall Goods. We have no space to enumerate; we will only say this: we believe no house in the State shows as complete a stock of Tailor-made Clothing and Merchant Tailoring Goods as we do! Our prices, considering the class of goods we sell, will be found more than satisfactory. Gentlemen in need of Shirts, Underwear, Collars, Cuffs, Hose, Ties, &c., will find just what they want in our house. During the week our Mr. DAVE HECHINGER will be found at the helm, and will be glad to welcome all of his friends at the ODDFELLOWS' HALL CLOTHING STORE. Respectfully,

THE BULGARIAN MUDDLE.

STRANGE ACTIONS OF AUSTRIA, ENGLAND, GERMANY AND ITALY.

Prince Ferdinand's Ascension to the Bulgarian Throne Places Several Countries in Very Embarrassing Situations. Various Other Foreign News.

LONDON, Aug. 19.—The Bulgarian question has assumed a phase which puts the powers opposing the position that Russia took at the outset and has since steadfastly adhered to in a very embarrassing situation, and one from which they must speedily extricate themselves if they would preserve an unimpaired reputation for consistency. From the beginning of the Balkan muddle, dated from the expulsion of Prince Alexander, Russia has acted entirely within the limits of the provisions of the treaty of Berlin and has exacted nothing more of the other powers than that they also should confine their action to the limitations of that convention.

In her recent controversies with the powers on the subject of the election of Prince Ferdinand to the Bulgarian throne held through her ambassadors, or directly from her foreign office, Russia has very clearly pointed out the not to be controverted fact that as sticklers of strict observance of treaty obligations Austria, England, Germany and Italy are acting strangely at variance with their former professions in the present instance. So plainly has the accusation of inconsistency been put by the czar's government that Germany has found no difficulty in appreciating the justice of the charge, and has already begun to trim her sails to catch the breeze from another quarter, and the fact that the phlegmatic Teuton has veered from his course will unquestionably have the effect of causing the other passive abettors of Prince Ferdinand's virtual seizure of the Bulgarian throne to set a sharp lookout for breakers ahead.

The rule of Prince Ferdinand in Bulgaria, should it be permitted by Russia, could redound to possible disadvantage to England, Italy, or even Austria, that the rule of any other prince would not give them, nor would the rule of any other prince eligible to the Bulgarian throne under the terms of the Berlin treaty prove detrimental to the interest of these powers, so long as the local status of the principality was maintained. The rule of the Prince of Mingrelia or the Prince of Oldenburg in Bulgaria, could not materially affect any interest or enterprise that England has in or near that country, nor would the presence of either on the throne at Sofia render a whit more uncertain the chances of Austria's ultimately obtaining possession of Salonica. Whatever reasons, singly or collectively, the powers may offer for opposing Russia's demands that the Bulgarian throne shall be filled in a manner strictly legal, the situation presents no aspect indicating that they are actuated by any higher motive than that of thwarting the wishes of a power of which they are jealous or afraid.

If Russia is forced to resort to war to uphold her Balkan policy—and she will certainly fight rather than depart from it—the spectacles will be presented of the country to curtail whose power the treaty of Berlin was peculiarly formulated, plunging into war to maintain the terms of that treaty inviolate, while the other signatory powers contest her right to do so and endeavor to prove the invalidity and illegality of their own work. It seems impossible that stultification can be carried to this extreme.

Blaine in London.

LONDON, Aug. 19.—Mr. James G. Blaine was in London on Sunday. He is said to have told a friend that he was on the eve of making a short tour of the continent, but his movements since his departure from Ireland have been kept so completely in the dark that this statement may have been made for the purpose of throwing news hunters off the scent, or may not have been made at all. At all events it is unlikely that any further information as to the American statesman's itinerary will be given to the public while he remains in England, since his experience in Ireland has taught him the value of secretiveness and seclusion. Absolutely nothing definite can be learned of his intentions through the ordinary process of interviewing, and, as a matter of fact, the gentleman has become almost as inaccessible as the queen herself.

There are entries from Duluth, Oshkosh, New York, Milwaukee, Philadelphia, Chicago and Rome, N. Y., to participate in the lawn tennis tournament at Lake Minnetonka, Minn. It will last three days.

Wants Damages.

MILWAUKEE, Wis., Aug. 19.—James O'Neill, the actor, brought suit against Jacob Litt, manager of the academy here, to recover \$5,000 damages, alleged to have been sustained by infringement of copyright.
